

COMMUNITY UPDATE

CLEAN THE STREAM

Saturday, April 24, friends, families and neighbors of Ward 7 gathered off Kenilworth Avenue with one goal in mind: to “CLEAN THE STREAM!”. In celebration of the 40th Anniversary of Earth Day, the Mayor’s Office partnered with the Anastasia Watershed Society, the Eastland Gardens Civic Association, the Kenilworth Civic Association, ANC 7D03, and other government agencies to clean up trash, waste and debris from Nash Run. For three hours, 36 participants enthusiastically worked to help restore Nash Run’s natural beauty and raised awareness for the environment in the Ward 7 community.
